

PETITION TO THE LEGISLATIVE ASSEMBLY OF ONTARIO

WHEREAS people who use drugs in Ottawa have a higher risk of contracting potentially lethal infections such as HIV and Hepatitis C,

AND WHEREAS the Supreme Court of Canada has ruled that the supervised injection facility in Vancouver saves lives, reduces the risk of disease, and has no negative impact on public safety,

WE THE UNDERSIGNED PETITION THE LEGISLATIVE ASSEMBLY OF ONTARIO TO SUPPORT THE CREATION OF MEDICALLY SUPERVISED DRUG CONSUMPTION FACILITIES IN OTTAWA.
