

# Does Ottawa need supervised drug consumption sites?

Join us for an evening of learning and discussion.

**Sharing the evidence:  
TOSCA and drug consumption  
sites in Ottawa**

As part of **AIDS Awareness Week**, researchers from the Toronto & Ottawa Supervised Consumption Assessment study will present their findings to the community.

Featuring speakers from Ottawa's Youth Services Bureau and the Drug Users Advocacy League.

Refreshments available. Wheelchair accessible.

**Thursday,  
November 29**

6:00-8:30PM

**Ottawa Public Library  
Main Branch (auditorium)**

120 METCALFE ST.
